Himalayan spa tiles are used in spas, homes, lounges, as they offer multiple health benefits. It is really good for asthma patients, eases coughing, purifies the air, and also gives a very classy look.

Himalayan salt cooking slabs are famous across the globe for serving platters, burgers, steaks, fries or even desserts.

## HIMALAYAN SHOT GLASSES

*Himalayan salt shot glasses are made of premium quality himalayan pink salt. It is the classiest way you can serve your guest a shot, be it tequila or lemonade. It adds a bit of salinity into the shot that is poured into it. Try these and see how it enhances the flavour of your drink!*
